

ESMWG Membership Term Renewals

A Presentation to the
NOAA Science Advisory Board

Jim Sanchirico
SAB Member and Liaison, ESMWG

October 9, 2012

Outline

- ESMWG Terms of Reference
- ESMWG Current Members and Terms
- Members Proposed for Renewal

Terms of Reference

- The Ecosystem Sciences and Management Working Group (ESMWG) will provide scientific advice and broad direction to the NOAA Science Advisory Board (SAB) regarding NOAA's ecosystem related programs, in the context of national and international activities. The ESMWG will focus on the broad research, monitoring, and management components of NOAA's ecosystem portfolio, as well as on the underlying observations and data management issues. The ESMWG will assist in establishing plans, assessing progress, and reviewing priorities on a continuing basis.
